- 13) The vehicles should be in excellent running condition with proper exteriors and new interiors & upholstery.

- 14)** The service provider should be eligible to hire out vehicle as per the RTO norms. It is the sole responsibility of the service provider to obtain necessary permits/permissions from RTO or other Transport Agencies, as required.
- 15)** The service provider should ensure that the vehicle is covered under comprehensive insurance policy during the period of contract. In event of the accident, the claim for the damage of property or injury to third party shall be settled by the service provider himself. The department will not have any liability.
- 16)** The service provider should ensure that the vehicle complies with the norms of pollution control and obtain 'PUC' i.e. "Pollution Under Control" Certificate, from time to time, from competent authority under the period of contract.
- 17)** In order to ensure day to day smooth functioning, the service provider shall not change the vehicle, once hired. In case of emergency, the said changes may be done with the prior intimation/permission. In case, wherein a regular vehicle cannot be provided for any reason including repairs, servicing, breakdown etc., a replacement vehicle of similar category will be provided immediately in place of the regular vehicle.
- 18)** The service provider shall provide fire extinguisher in the vehicles.
- 19)** The driver would have to be approved by the department after being used for a week. The driver once approved by the department should not be changed over a period of contract unless an exigency arises or he fails to provide service upto the satisfaction of the department.
- 20)** The vehicles will be used for a maximum distance of 2000/2500 kms as per aforesaid schedule.
- 21)** The driver of the vehicle shall maintain a "Log Book" for the movement of the vehicle in the format prescribed by the Department and shall submit the extract every month before 5th of the next month along-with bill and duty slip.
- 22)** The bid should be for monthly rental which would include all charges. The hiring charges will be paid to the service provider on monthly basis. TDS and other taxes as applicable will be deducted from each bill.
- 23)** The service provider should also have 24 hours working telephone so that he can be called in case of any problem pertaining to the vehicle or the driver.
- 24)** It will be the responsibility of the service provider to ensure that the vehicle is washed, exteriors are polished and interiors are vacuum cleaned/washed/dry cleaned at regular intervals. If the vehicle is dirty then the officer can refuse to use it and penalty would be imposed upon the service provider.
- 25)** The service provider should ensure the proper maintenance of battery, coolant, oil, tyre pressure periodically.
- 26)** The vehicle will be parked in the office premises or in any other premises as required by the department. In case it is required to be parked in service provider's premises then no dead mileage would be payable from the service provider's premises to starting point and vice-versa. Mileage will be counted from the point of reporting as desired by department.
- 27)** Time is of essence in official matters. The vehicle with driver should invariably reach before the appointed time whenever called. If the driver (with vehicle) reaches after the scheduled/given time, the department would be within its rights to refuse the vehicle and impose penalty upon the service provider. On every occasion, that driver or the vehicle is not able to reach at the appointed time, pro-rata deduction for that day and an additional penalty of Rs. 500/- per day would be imposed and deducted from the monthly bill.
- 28)** The service provider should ensure that in normal circumstances the fuel tank should never be less than half full. For outstation trips, the driver should be provided ample

cash, by the service provider, to take care of extra fuel usage and other charges/expenses.

- 29) Service provider should provide to the department, the complete details of vehicles, and certified copies of the RC books along-with the copy of the valid comprehensive insurance policy. Further, the service provider should ensure that the comprehensive insurance policy for the vehicles in force during the entire period of contract.
- 30) The department will not be under any obligation, legal or otherwise, to provide employment to any of the personnel of the service provider during or after the expiry of the hire period. The department recognizes no employer-employee relationship between the department and the personnel deployed by the service provider. The department shall not be responsible financially or otherwise for any injury to the vehicle or driver or person deployed by the service provider for the period of contract.
- 31) During the period of the contract, the vehicle or the driver shall not be employed, by the service provider, for providing any service to any person other than the Department; Once hired, the vehicle will not be put to use for other purposes, and the vehicles and drivers will work under the overall supervision of the Department for which they will do all as is necessary.
- 32) Any person who is in government service or any employee of the department should not be a partner directly or indirectly, with the service provider.
- 33) Inspection of the vehicles will be done before finalizing the contract and also periodically by Superintendent/Inspector in-charge of Motor Vehicles.
- 34) The contract can be terminated by the department without assigning any reason by giving an advance notice of 15 days.
- 35) The service provider shall not terminate the contract without prior notice of at least one month.
- 36) The service provider shall submit two different tenders viz. Technical Bid and Financial Bid.
- 37) The Technical Bid shall contain the number of years of experience of the service provider in this field, the make and model of the vehicle offered, date of Manufacture, Registration Number of vehicle offered, details of permit if any required for hiring vehicles, Insurance details, PUC details, GST Registration Number & PAN Number of service provider. **There shall be no mention of any financial matters such as amount quoted per month etc. in the Technical bid. Upon observance of any such mention in the Technical bid, the tender will be summarily rejected.** The technical bid should also contain a declaration by the service provider that he is agreeable to all the terms and conditions as above mentioned and the vehicle is being offered only after being satisfied with the said terms and conditions.
- 38) The Financial bid will be opened only if the Technical bid is found to be satisfactory.
- 39) The Financial Bid shall contain the amount quoted for per month hiring charges for the period of hire, in terms of the departmental requirement as in preceding paragraphs.
- 40) Bid Submission : Bid shall be submitted online only at CPPP website : <http://eprocure.gov.in/eprocure/app> . Service Providers have to follow "Instructions to Bidder for Online Bid Submission" provided in the "Annexure-I" for online submission of bids:

ANNEXURE-I
Instructions for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submit their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <http://eprocure.gov.in/app>.

REGISTRATION

- 1) Bidders are required to enroll on the e-procurement module of the Central Public Procurement Portal (URL: <http://eprocure.gov.in/app>) by clicking on the link “**Online bidder Enrolment**” on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificate with signing key usage) issue by any Certifying Authority recognized by CCA India (e.g. Sify/nCode/eMudhra etc.) with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DCS's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID/password and the password of the DSC/e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID< Organization Name, Location Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents. Tender schedules. These tenders can be moved to the respective 'MY Tenders' folder. This could enable the CPP Portal to intimate the bidders through SMS/e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents – including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender documents/schedule and generally, they can be in PDF/ XLS/

RAR/DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificate etc.) has been provided to the bidders. Bidders can use "My space" or other "Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender documents.
- 3) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable.
- 4) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 5) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bid is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. **Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opening public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.**
- 6) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 7) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

ASSISTANCE TO BIDDERS

- 1) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- 2) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.
