Subject: Modification in the HoP.

Sir,

I am directed to say that instances have come to notice where details regarding officers assigned charges on additional basis are not reflected in the HoP. This information is essential in processing cases of employment after retirement wherein NOC has to be obtained from last offices as per Rule 10 of the CCS (Pension) Rules, 1972.

2. In addition, such information should be available in public domain or websites of CBEC, DGHRD and field offices. Instructions have also been issued vide letter No.C 30013/79/2015-Ad.IVA dated 17.02.2016 that postings and transfers of all officers/officials are required to be done as per the guidelines on the subject and no one should continue to hold posts declared as sensitive for more than three years. In case an officer is given additional charge due to administrative reasons, this should be brought to notice of the Board on quarterly basis as well as posted on the website.

3. You are, therefore, requested to give complete details on the officers/officials, including additional charge in HoP.

Yours faithfully,
