OFFICE MEMORANDUM

Subject: Request for contribution to the ICE Magazine - regarding

JKP

SR

The first edition of the ICE Magazine for the current year has already been posted to all the field formations. The same would have reached you by now.

2. It is pointed that the last edition of ICE Magazine was delayed because of inadequate contributions from the field formations. Keeping the same in view, DGTS has already begun the process of compilation of the next edition of the ICE magazine, which is to be brought out in June, 2016.

3. For the ICE magazine to be of good quality and enjoyable, you would appreciate that it is imperative that the departmental officers (and their family members) from various formations of CBEC contribute towards this cause.

4. In order to ensure publication of next edition of the magazine in time, it is requested to send contributions in respect of your formation by 10th of May 2016 positively at icemagazine.dppr@nic.com. May I suggest that every zone/directorate should try to send at least 3-4 contributions.
