F. No.A.11019/2/2007-Ad.IV
Government of India
Ministry of Finance
Department of Revenue
Central Board of Excise & Customs

New Delhi, the 22nd December, 2008

All Cadre Controlling Authorities under CBEC (by name).

Subject: Airpool Policy - instructions regarding.

Sir/ Madam,

I am directed to refer to the Board's instructions vide letter of F.No.A.11019/102/91-Ad.IV dated 21.10.1993 (copy enclosed) in which Customs Pool was reconstituted and the modified policy guidelines for staffing of International Airports were circulated. The Airpool Policy was, at that stage, made applicable to 5 International Airports, namely, Delhi, Mumbai, Kolkata, Chennai and Thiruvananthapuram. Later, the policy was extended to some more International Airports, but without distribution of the 25% quota meant for outside Commissionerates. Under the Policy, two-year tenure was fixed in the case of ACO and ACS appointed from outside Commissionerates.

2. The Board received a reference from the Chief Commissioner of Customs, Delhi Zone, indicating that they are not getting sufficient number of officers against the 25% Customs posts allocated to outside Commissionerates. It was informed that there is not much demand for these posts from the outside Commissionerates. In view of this, the Chief Commissioner made the following proposals to the Board:

- (i) The tenure of Air Customs Superintendent (ACS) and Air Customs Officer (ACOs) posted to International Airports against 25% quota under the Airpool Policy may be revised from the existing tenure of 2 years to 3 to 5 years;
- (ii) Board may allow filling of 25% quota of ACS/ ACOs from other Commissionerates including Customs and Central Excise Commissionerates on deputation basis instead of only from the major Customs Houses.

3. The matter was examined in the Board in consultation with Chief Commissioners of Customs of Chennai, Cochin, Kolkata and Mumbai Zones. Thereafter, the matter was placed before the Board. The issue was discussed in the Board Meeting held on 03.12.2008 and after careful consideration of all factors, the following decisions were taken:

(i) The tenure of Air Customs Superintendent (ACS) and Air Customs Officer (ACO) posted at the International Airports against the 25% outside quota under the Airpool Policy, which is 2 years at present, can be extended by one more year, subject to the willingness of the officer and its acceptance by the Chief Commissioner concerned having jurisdiction of the International Airports, where the officer is assigned. The decision shall be taken by the Chief Commissioner concerned having jurisdiction of the International Airport to which the officer is assigned and there would be no need to make reference to the Board.

(ii) In cases where 25% quota of ACS/ACOs from specified outside Customs or Central Excise Commissionerates is not getting filled up, the same shall be extended to all Commissionerates of that category, i.e. if the outside quota is for specified Customs Commissionerates, it shall be extended to all outside Customs Commissionerates and if the outside quota is for specified Central Excise Commissionerates, the same shall be extended to all Central Excise Commissionerates.

4. The above policy changes shall be applicable to only those International Airports, which are presently covered under the Airpool Policy. Regarding International Airports not covered by the Airpool Policy, the matter will be separately examined, in consultation with concerned Chief Commissioners, as to whether the Airpool Policy should be extended to them.

5. The above instructions shall take immediate effect and may be brought to the notice of all concerned for information and compliance. All previous instructions of the Board on this subject shall stand modified to this extent.

Yours faithfully,

New Delhi, the 21st October, 1993.

To

1. All Principal Collectors of Customs and Central Excise
2. All Collectors of Customs
3. All Collectors of Central Excise & Customs.

Sir,

Sub:- Re-constitution of Air Customs Pool - reg.

I am directed to refer to Board's various instructions/guidelines as mentioned in the left margin on the above subject and to say that the Airpool policy has been under the review of the Government for some time. Keeping in view the original objective behind the creation of Airpool and various administrative considerations in the matter of clearance of passenger baggage/Air Cargo, the Government have now decided upon the following modifications to the existing policy guidelines :

1. F.No.34(7)61-Ad.IV dt.25-5-1963
2. F.No.6/37/68-Ad.IV dt.27-6-1969
3. F.No.A-11013/C/34/72-Ad.IV dt. 22-2-1975
4. F.No.A-11019/11/85-Ad.IV dated 31-1-1985
5. F.No.A-11019/11/85-Ad.IV(11) dated 1-2-1985
6. F.No.A-11019/13/91-Ad.IV dated 11-3-1991

1. Constitution of the Airpool :

The Airpool would include (i) Inspectors and Superintendents of Central Excise and (ii) Preventive Officers and Superintendents of Customs. All other cadres are excluded.

2. Distribution of posts included in the Airpool :

(i) 75% to be filled from the officers of the controlling Collectorates - Central Excise or Customs as the case may be - and 25% from other (outside) Custom Houses/Central Excise Collectorates. This distribution will be applicable uniformly to both Group C and Group B cadres, included in the Airpool.

.....2/-

// 2 //

(ii) The distribution of posts (a) between controlling Collectorates and outside Collectorates (b) between Customs Houses against 25% quota posts for IGI, New Delhi and Trivandrum airports and (c) between Central Excise Collectorates against 25% quota posts for airports at Bombay, Calcutta and Madras will be as shown in the worksheets Annexure I-III.

3. Method of Selection :

Selection of Officers for the airpool would be made for each cadre to the extent of quota available in each airport from :

- (i) among the zone of senior officers (five times number of posts allotted to each Central Excise Collectorate/Cadre);
- (ii) on the basis of CCRs;
- (iii) on the basis of their positive integrity; and
- (iv) on the basis of the interview (as was being done prior to 1991) by a Committee consisting of the Principal Collector of the cadre, from which the officers are to be selected and the Principal Collector in charge of the particular airport and DGRI.

4. Tenure :

(a) (i) Air Custom Superintendents (ACSSs)/Air Custom officers (ACOs) selected from outside Collectorates for airpool posting will have a two year tenure. (ii) Officers from the controlling Collectorates will have a tenure of one year only by way of rotation.

(b) The tenure of Assistant Collector at Airports will be for two years only. Junior Time Scale Officers (Direct Recruit) will not be eligible for posting at Airports.

5. Unutilised quota :

In the eventuality of some posts falling into the quota of one Collectorate cannot be filled up due to non-suitability/non-availability/non-selection of Officers from that collectorate, those posts can be filled up from Officers of Collectorates having very small quotas, or from any other participating Cadres, subject to the same selection process.

2. Earlier instructions/guidelines, therefore, stand modified to the extent as mentioned above.

3. The above Air Customs Policy will come into
