9. While recommending the names for the Awards, it may be stressed that awards are meant for scholars who are proficient in the respective languages and the respective fields of specialization and not those with just a smattering knowledge of the literature available in these languages.

11. These Awards are not awarded to those scholars who received this award earlier; or not awarded posthumously; or are they awarded to persons who have been convicted by a court in a criminal case or against whom any criminal case is pending in a court. Therefore, to avoid any embarrassment to the Government, occurrence of any event making the nominee ineligible for the Award must be reported immediately to the Govt. and it will be the sole responsibility of the person sending the nomination to report such event.

12. The recommending authorities are requested to maintain complete secrecy and dignity of this award by not entertaining any application or request from individual scholars themselves. Discreet enquiries may be made for collecting full information/details about the concerned scholar from other sources, since they are not supposed to know that their name was being recommended. No material furnished by the Scholar himself should be entertained or sent along with the recommendation. Canvassing of any sort on the part of the scholar will be against his own interest and shall be viewed seriously.

Yours faithfully,
